

Felipe Trujillo López has served as Commercial and Marketing Vice President since April 24, 2024. He is an Industrial Engineer from the Pontificia Universidad Javeriana, with a Specialization in Strategic Marketing from the Colegio de Estudios Superiores de Administración, CESA, and a Master's in Business Administration from the Universidad de Los Andes. His professional expertise spans over 25 years in sales and marketing, including 20 years in the oil and gas industry in various positions in the areas of marketing, sales, and new business evaluation and structuring.

He has held multiple positions within Ecopetrol, including National Marketing Manager, Petrochemicals and Industrials Manager, New Business Manager, and Gas Manager. Felipe is currently Manager of Products and Petrochemicals, the area responsible for the marketing and trading of fuels, petrochemicals, and industrial products that Ecopetrol produces in its refineries and sells in the national and international markets.
